EFFECTIVE GOVERNMENT FOR THE AMERICAN PEOPLE

### SUPERVISOR APPROVAL FORM TO ATTEND MISSION SUPPORT LEADERSHIP PROGRAM

---

#### Overview of Program

The Mission Support Leadership Program prepares mission-critical federal employees (GS12-14s) to become more effective leaders by recognizing how their individual values drive their decisions, understanding how their functional role can and should partner with other mission support roles and identifying how to drive positive impact within the ever-changing federal landscape. Aligned to the four core tenets of the Partnership's Public Service Leadership Model—self-awareness, engaging others, leading change and achieving results—participants will develop skills needed to understand their impact on others, effectively collaborating, leading change efforts and achieving organizational priorities.
