

**“This was a fantastic program. A must-have for any HR professional that wishes to advance to the next level.”** —Former EHRL Participant

The federal HR workforce plays a critical role in bringing the most talented people into government and ensuring they have what they need to succeed.

The **Emerging HR Leaders** forum enables HR employees early in their federal careers to develop the foundational knowledge and the professional network necessary to navigate their federal HR careers and maximize their impact in government.

Sessions run for a period of six-months. Participants engage in activities and workshops around key course concepts. The sessions emphasize conversation and application to ensure participants understand concepts fully and can use the skills and knowledge they acquire.

After graduation, emerging HR leaders build on the connections they developed by joining the Partnership’s Leadership Alumni Network. Multiple cohorts graduate each year, providing them with an ever-growing network of federal HR professionals to engage with and learn from.
