Excellence in Government Fellows Program

SUMMER 2025-26 APPLICATION DEADLINE:
JUNE 6, 2025, AT 5 P.M. EDT

For more than 30 years, the Excellence in Government Fellows program has helped government employees develop strong leadership skills through application-based learning, highly interactive activities, authentic self-reflection, personalized coaching and governmentwide networking. Our graduates go on to plan, design and implement innovative solutions to address the biggest challenges in government and improve their organizations' effectiveness.

EIG is different from other leadership programs because it:

- Focuses on results: Participants work collaboratively on projects designed to tackle critical issues organizations face.
- Provides the time and space to grow: By taking place over months rather than weeks, the EIG program enables participants to stay in their jobs and to reflect on lessons between sessions.
- Facilitates crucial connections: EIG participants come out of the program with mentors as well as a network of peers and colleagues from across government. These networks help alumni further their own work and also strengthen the ability of different organizations to work together.
