Preparing to Lead

APPLICATION DEADLINE: JULY 9, 2025 AT 1 P.M. EDT

Preparing to Lead is a professional development program for government employees interested in pursuing leadership opportunities within their departments.

Structured around the four core competencies of the Public Service Leadership Model, participants in the program will develop skills and strategies for improved self-awareness and increased ability to lead change, achieve results and engage others.

Our government needs innovative solutions and guidance from strong, capable leaders. Through the Preparing to Lead program, participants will develop the skills needed to meet those needs and lead their teams to effectively achieve their missions. Whether joining us from community health, veterans services, or human resources, participants end the program with a clear direction in their personal leadership journey.
