

Leadership Excellence for Acquisition Professionals Program

Open to federal, state and local procurement and acquisition professionals

ACQUISITION LEADERS MAKE MISSION SUCCESS POSSIBLE.

Our Leadership Excellence for Acquisition Professionals program equips government leaders with the skills needed to better serve the public.

LEAP was “the most beneficial thing I have ever done to accelerate my career.”

– LEAP participant

AUDIENCE

Federal procurement and acquisition professionals at the GS-12 to GS-14 level.

State and local procurement and acquisition professionals with 3–5 years of experience in their field.

OBJECTIVES

Participants will build the skills and mindset to lead with greater confidence.

By the end of the course, participants will:

- Make values-based decisions
- Build strong partnerships
- Identify how to drive meaningful results in the public sector

LOCATION

Virtual via Zoom.gov

Facilitated by executive coaches, LEAP brings together coursework, guest speakers, group collaboration and inter-agency networking to help procurement and acquisition leaders turn their technical expertise into greater leadership impact for their agency.

Additionally, LEAP participants complete a 360 leadership assessment and meet one-on-one with an executive coach to evaluate their performance, assess their leadership progress and chart a course for self-improvement.
